

2020/03/13

Dear SEESA Members:

In light of recent decisions and recommendations by Edmonton City Council, the Alberta Government, and the Public Health Agency of Canada SEESA will be implementing the following measures for the week of March 14 - 21 to minimize the risk of contraction of the Coronavirus (COVID-19):

- SEESA is cancelling all Classes, Club activities, Special Events (March Dance, Fun Casino, and Birthday Party) and outside rentals (Alberta Floor Curling Bonspiel, tax clinics). We have suspended selling any more Dinner tickets as we are taking a look at things week to week and have yet to make a final decision if the Dinner will go ahead.
- We are reducing our centre operating hours. The centre will be open from 8:30 am - 4:30 pm Monday to Friday and closed Saturdays & Sundays.
- We will continue to offer central services and remain open for Outreach individual appointments, Seniors Home Supports consultations, and special meetings.
- Our cafeteria will be closed for dining in, but will offer take out service for hot lunch specials. A reminder, though, if you are showing signs of symptoms please stay clear of the centre. We are looking at providing a delivery service to support those who cannot leave their residence in our catchment area. If you are isolated and have no support please let us know so we may connect you with services.

At this time we ask for patience as we process through cancelations and are working on a "credit voucher" option for you to apply to a future purchase or, if you choose, to convert it to a donation to the centre to which you will receive a charitable tax receipt. Refunds will be considered once we return to normal operations.

We are reviewing activities weekly; however, things may change quickly. We will continue to communicate with you and advise when recommendations change. You may receive multiple messages in the next few days as we endeavour to get the most up to date information to you as we can. If you have further questions please direct them to our Executive Director, Kim Buehler. For more information about the Coronavirus go to <https://www.albertahealthservices.ca/assets/info/ppih/if-ppih-ncov-2019-public-faq.pdf>

Regards,

Elaun Cable,
