

Change to clubs

SEESA is bringing back ticket books for club fees!

This replaces our experiment for club session fees. Turns out, club sessions fees demanded a lot more work to process than anticipated. SEESA will maintain the pricing structure developed with the sessions:

	Member	Non-Member
Pack of 8	\$3.00/ticket - \$24/pack	\$6.00/ticket - \$48/pack
Singles	\$4.50/ticket	\$9.00/ticket

Session 1: (January 10 to March 4)

If you have purchased a session, you will remain on the club list as paid and can drop in as you expected. If you haven't purchased a session, please pick up your drop in tickets at the front desk.

Session 2: March 7- onward: **Payment for clubs will be entirely done by tickets.** If you already purchased the session, we will be in contact with you to get you the correct number of tickets.

If we haven't contacted you by March 15 and you did purchase the session, please see the front desk with proof of payment. If you haven't purchased the session yet, drop in tickets will be available at the front desk.
