Board of Directors Membership – Application to Nominating Committee

Overview

The SEESA Board of Directors governs the overall execution of the organization's mission. Principally, the Board manages organizational governance policy and finances and sets long term strategic priorities for sustainability and growth. Additionally, the Board oversees the Executive Director, who is responsible for day-to-day management of the organization. Overall, the members of the Board contribute the educational, management, and financial factors needed to ensure long term organizational stability and ensure year-to-year excellence for SEESA's mission.

The Board of Directors has up to 13 voting members. Terms are for two years.

The Nominating Committee actively recruits new board members for approval by the Board and the membership at the Annual General Meeting in April. We welcome individual applicants with suitable skills and experience to help us grow our services in this community.

Time Commitment & Expectations

Board members are expected to contribute to the organization by:

- Attending and actively participating in Board and committee meetings,
- Attending and/or volunteering at SEESA events from time to time,
- Attending the Annual General Meeting,
- Maintaining active membership status during their term.

The Board meetings are on a set schedule of approximately ten meetings per year from 9:00 to 11:00 am (excluding summer break). Meetings take place in-person at SEESA and may also be attended virtually. Board work is supported by Board committees which focus on governance, finance, and nominations.
