

Board Update

The “Snowbirds” and Canada geese are gradually returning — sure signs that spring is on its way. SEESA is a hub of activity and people are chatting about gardening, golf, and other outdoor activities.

Membership Continues to Grow

As of March 12, 2024 we have a total of 1,007 members.

Annual General Meeting and Volunteer Appreciation

As the current board members reflect upon the past two years, they are thankful to the staff, volunteers and members who have brought SEESA back to life. There is still work to be done and the Board remains committed to stabilizing and sustaining SEESA. We will continue to actively engage with our members through formal and informal activities.

Canadian Country Music Legends

The concert was a sell-out and those in attendance enjoyed high-quality, traditional country music. The musicians were well known to many and toes were tapping to steel guitar, yodeling and old-time fiddling.

Spring Re-Use/Rummage Sale

April 20 and 21

Donations will be accepted Tuesday, April 2 to Thursday, April 18 (until noon). The sale will take place April 20 and 21.

Book and Puzzle Sale

April 4 – April 21

Donations of books, audio books, and puzzles will be accepted up until Thursday, April 18 (noon).

Indigenous Books

Thanks to Mary Kerber for setting up a section in the lending library on books about and by Indigenous peoples. As part of SEESA’s commitment to Truth and Reconciliation, these resources will continue to expand.

Treat Yourself!

Enjoy food, beverages and treats at Tillie’s Café. Chat with fellow members. Work on the puzzle. Find a book or puzzle at the John Sandercock Library to engage your mind. There’s something for everyone!

Canadian Country Music Legends concert

It was a lively and fun afternoon in the SEESA gymnasium for the Canadian Country Music Legends concert on Sunday, March 3. The gym was packed with over 200 attendees as they took in the sounds of Alfie Myhre, Joyce Smith, Randy Hollar, Eddy Chwyl, and Rick Morgenstern. Not only was the music fantastic, but there was a fair share of jokes and laughter to be had as well. The 50/50 raffle was popular and the event was a great success! Thank you to the Country Legends for the wonderful performance, the volunteers who helped make it happen, and to everyone who was able to join us!

Make It Monthly and support SEESA

During March, with the support of CanadaHelps, we are celebrating Make It Monthly — a program where when new monthly donations of \$20 or more are made, CanadaHelps will add an extra \$20 for each donation for SEESA. If you already make a monthly donation, you can increase the impact of your existing monthly gift by \$10 or more, and CanadaHelps will add an extra \$10 for SEESA. To learn more about the Make It Monthly program through CanadaHelps, please visit - [Make It Monthly Terms and Conditions | CanadaHelps - Donate to any charity in Canada](#).

Join the Make It Monthly movement and watch your ongoing support create a ripple effect of growth for SEESA and the community we serve. You can Make It Monthly by [donating online today](#).

Did you know that monthly giving is one of the easiest and best ways to help SEESA empower and enhance the quality of life of people in our community as we age by providing a variety of programs for a variety of members who are of a variety of ages and who have a variety of interests? When you make a monthly gift, you don't have to worry about remembering to give every year, and it's a great way to make a big impact. Monthly giving is a wonderful option for both you and SEESA. Our monthly donor program allows you to spread your donations throughout the year, providing SEESA with a consistent base of support. Your monthly gift to SEESA is affordable, flexible, effective, and convenient.

Affordable and Flexible You can choose your monthly gift to start as low as 67 cents a day which is just \$20 per month. 100% of your gift is eligible for a year end tax receipt. Any amount is really appreciated.

Effective Your monthly gift provides SEESA a steady source of income that will provide weeks, months, and years of support so that SEESA can continue to grow its programming and supports for our community.

Convenient You sign up online at CanadaHelps.ca to start your monthly contributions. Your gift will automatically be deducted

on the same date each month. At the end of the calendar year, you

will receive a tax receipt for the total of your annual donation for tax return purposes. You can change or cancel your monthly gift details at any time.

Make It Monthly by donating online today at [south-east-edmonton-seniors-association | CharityProfile | Donate Online \(canadahelps.org\)](#). Whatever you choose as your monthly gift is truly appreciated. Your gift does make an impact. "SEESA lets me get out of the house and interact with others. Feeling welcomed and being with people my own age has increased my confidence, my mental health, and lets me know I'm not alone."

Fraud Prevention Month

March is Fraud Prevention Month and is marking its 20th year of bringing awareness to Canadians. Every year, thousands of Canadians fall victim to fraud. Many don't think it can happen to them, but scammers use sophisticated ways to target people of all ages. The best way to fight these types of crimes is through awareness and education. Knowledge is power! Don't be a victim — be vigilant!

Spoofing is a type of scam in which criminals disguise an email address, display name, phone number, text message, or website URL to convince you that they are interacting with a known, trusted source. There is usually an urgency to their requests.

- **Caller ID Spoofing** is the act of altering the Caller ID displayed to the person receiving the call.
- **Cyber Spoofing** is a tactic in which cyber criminals disguise malicious communication or activity as something from a trusted source.

'Urgency/Emergency' Scam The Urgency/Emergency Scam has many variations — Grandparent Scam; CRA Scam; Canada Post (Delivery Service) Scam; Canadian Border Scam

- **The Grandparent Scam** is when a fraudster calls pretending to be a family member in trouble and asks for money.
- **The CRA Scam** is when a fraudster emails, texts or calls that you have a CRA refund waiting for you, and they need your banking information to send the refund.

- **The Canada Post (Delivery Service) Scam** is a text message claiming they are from Canada Post (or UPS, or any other delivery service) and that your delivery is stuck in a warehouse centre, and they need your account information to retrieve the package.
- **The Canada Border Scam** is an email, text message or telephone call with a fraudster posing as a Canadian Board Services Agent (CBSA) and asking for payment or personal information.
